RUSSIAN PAY OF HUNS EXPOSES TRAITOR LENINE

If there has ever been any doubt in the minds of thinking people that Lenin is at the present time in the pay of the German government, this is banished by statements recently appearing in Berling's Sloz (without superfluous words), a new Russian weekly edited by Gregory Alexinsky. The first of these is a letter sent Kerensky by General Denikin announcing the capture of one Yermolenko, and the second is Yermolenko's own statement involving Lenin and Yulthovski.

While Yermolenko was a prisoner of war in Germany he was found to possess certain Ukrainian literature that had been addressed to him by mistake. Assuming him to be a representative of a whole political party, the German authorities proposed sending him to Russia as though he had escaped from prison. He accepted the proposal, and on reaching Russia made the following statement:

"(1) I was sent to Russia by the German government with the same task as was entrusted to Lenin and Yulthovski, who came from Berlin on April 11, 1917.

"(2) Lenin was instructed to agitate for peace and to try by every method to undermine the confidence of the nation in the provisional government, and to remove by every means in his power the minister of war (Guchov) and the minister of foreign affairs (Miliukov), who were an obstacle to German aims for the conclusion of peace. He was also to secure the removal of any of their successors who might follow the same policy.

"(3) Yulthovski had the following commission: He was to arouse in the Ukraine the idea of the separation of the Ukraine from Russia and the idea of propaganda for an immediate peace. He was also to try and get those ministers removed who were opposed to the conclusion of peace.

"(4) Unlimited funds were given to carry out this propaganda. Money from the German government was received in the following way: In Stockholm at the German embassy, there was a certain Swenson, through whom Lenin and Yulthovski received checks on Russian banks.

"(5) All reports were to be handed to Swenson, who would forward them.

"(6) In Berlin there were two meetings of Socialists in which Lenin and Yulthovski took part. Lenin always kept by Yulthovski. I learnt of this from Shiditski and Lubers, who were on the general staff in Berlin, and also from the inspector of the Ukrainian regiment, Captain Kadak, and from others.

"(7) Captain Shiditski said that in case Yulthovski was arrested, Pockolski would be appointed president of the Union for the Liberation of the Ukraine, and that an announcement would be made to this effect in one of the Ukrainian papers in Kiev, to which I was to refer for instructions and money.

"(8) When I left Germany I was given 1500 roubles for expenses."

ECLIPSE OF MOON IS SCHEDULED FOR DEC. 27

The second eclipse of the moon during the year 1917 will occur on December 27. This will be a total eclipse visible to people in the Hawaiian Islands. The moon will enter the earth's shadow at 9:35 o'clock on the evening of the 27th, sinking lower and lower until it will remain entirely underneath the earth's shadow for 17 minutes. At 12:57 o'clock on the morning of December 28, the moon will emerge from the shadow and the total eclipse will be over.

PORTUGUESE ORDER FILES ITS ANSWER

An answer to the injunction suit brought against it by the Associated Protection of the Philippines, has been filed in circuit court by the officers of the local branch of the organization which, according to the complaint, has been dissolved by the mother society in California. The answer alleges that the mother society has no power to suspend the local branch without first preferring charges and granting the branch an opportunity to be heard.

Additional large shell and munition orders have been placed by the Government.

AMSTERDAM, Netherlands, Dec. 6.—In discussing the budget in the Austrian reichsrath Foreign Minister Czernin yesterday said that monetary cost of the war to Austria had been 43,000,000,000 crowns. He estimated that the budget for 1917-1918 would require an additional 20,000,000,000 crowns, is reported in a despatch from Vienna.

AMSTERDAM, Netherlands, Dec. 6.—Weakening of the man power of Germany is clearly indicated by intimations that the government is planning to call out boys of 16 and 17 years of age and to force them into the army for active military service.

Intimation that the call to arms for the boys of the German empire is approaching is to be found in an appeal which was published yesterday in the Essen General Anzeiger. It suggests that all the boys of the country shall immediately join the "juvenile corps."

Continuing, and explaining the necessity of this action the article says: "This great struggle must be won for the preservation of our fatherland. It is a titanic struggle which we have before us and one which will necessitate the calling out of our boys of 16 and 17 years of age at no very remote date."

"We must fight on. The tide is turning in our favor in Russia and in Italy, but we must not conceive that the victory is yet won. To win it we shall need the youth of the country and they can be counted upon to be worthy of their fathers."

GASPARI DENIES PEACE PROPAGANDA RESPONSIBLE FOR ITALIAN REVERSES

(Associated Press by U. S. Naval Wireless.) LONDON, Eng., Dec. 6.—Answering the accusations that the vatican was largely instrumental in bringing about the disasters which came to the arms of Italy and caused her forces to fall back from Austria into the mountain passes of Italy before the armies could be reorganized, Cardinal Gaspari, archbishop of Westminster, last evening commuted to the Morning Post a statement from Cardinal Gaspari, replying to the charges which that paper had published. This statement, together with its own editorial reply, the Post publishes this morning.

Cardinal Gaspari denied emphatically that the vatican was in anywise implicated in the spreading of any disruptive propaganda in Italy. He declared that such an accusation is an "atrocious calumny." Relative to the pope's peace proposals he reiterates that they were issued with the beneficent purpose of speedily bringing about an end of bloodshed and denies that they were intended to influence or disaffect with the Italian government the masses of that country. He further denies the accusation that members of the Catholic clergy have been personally urging a movement against the war and the part of Italy in it among the common people at home.

He reaffirms the neutrality of the Holy See and its desire to see the war ended.

Answering this statement editorially the Post virtually reiterates its original accusations, says that proofs to refute them have not been offered and then cites incidents which it considers evidence and proof of the truth of its assertions to which the vatican takes exception.

MOVE TO COMMANDER LOUISIANA SUGAR

WASHINGTON, D. C., Dec. 6.—With the purpose in view of speedily ending the sugar shortage which has prevailed over sections of the country for weeks past, Representative Emerson of Ohio introduced a resolution yesterday which calls upon the food administrator to secure and immediately distribute the millions of pounds of sugar which are reported to be awaiting shipment in Louisiana sugar factories, the distribution to be made in the sections of the country where the sugar shortage is found to be most acute.

Reports say that a large part of the Louisiana crop is being held back because of a misunderstanding or an unwillingness on the part of planters to sell at the prices offered.

SLAVS FIGHTING ON MESOPOTAMIA FRONT

LONDON, Eng., Dec. 6.—First mention of fighting on the part of Russian troops since the movement for an armistice gained an "impetus" is contained in a report which was last night received from the Mesopotamia front, and which indicates that, whatever may be in progress elsewhere, the Russians in that theater of war are fighting on.

British troops, acting in conjunction with an efficient force of Russians, tried out a successful operation, this report said.

BOLSHEVIKIS WIN IN HARBIN STREET FIGHT

(Special Cable to Hawaii Shipped) TOKIO, Japan, Dec. 5.—Reports received here from Harbin state that street fighting on a large scale has been going on in that city between the supporters of the Duma and the radicals in sympathy with the Bolshevik faction.

ECONOMICAL WAY OF SERVING MEALS NOW ADVOCATED

(By Associated Press.) KOKOMO, Ind.—A movement which, it is hoped here will become nation-wide, to break down some of the rules of table etiquette in the interest of food conservation has been started by the women of Kokomo, who are interested in helping Herbert Hoover, national food administrator, reduce the size of the garbage pail. The plan has the indorsement of Mrs. John E. Moore, President of the Indiana Federation of Women's Clubs, and Mrs. Casper Butler, president of the Kokomo Franchise League and prominent in club circles. It is hoped to obtain the indorsement of hundreds of society women throughout the United States.

"I most heartily favor a return to the old-fashioned ways of serving in these war times," said Mrs. Moore, "as a great saving of food. I believe we should conserve in every way possible, even to the stirring of the sugar in our cups to save an additional spoonful. Let us return to the simple meals and the old economical ways of serving them." Here are some of the points over which Kokomo women have been pondering:

First, the campaign for a "clean plate," would be, according to rules of polite society, a breach of table good form, for society has always taught that something should be left on the plate for "manner's sake." The remedy for this is a return to the old ways of serving, the customs of our great grandmothers when they used to place the steaming dishes of vegetables and meat on the table and each member of the family was allowed to help himself in proportion to his capacity or liking for the dish.

Society has followed the rule that one should not stir the sugar in his coffee cup and has added an extra spoonful or two of sugar. Uncle Sam wants that extra sugar now to help feed the Allies. Society also has a rule that it is not polite at a dinner to refuse any one of the chief dishes, that very small helpings must be made from every course. The diners usually leave considerable portions to be thrown into the garbage can which Mr. Hoover is trying to keep empty.

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and No-body Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effects.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

HOW TO PREVENT APPENDICITIS

Appendicitis is primarily due to the poisons formed by decaying food in the bowels. It is a disease caused by improper and insufficient bowel elimination. Many people have only a small passage in the center of the bowels while the sides are clogged with old, stale, fermenting matter. They may have a bowel movement every day but it is not a complete movement and the old stale matter stays in the system to ferment and cause trouble. Besides appendicitis such unclean bowels cause headaches, stomach trouble and 99 per cent of all other sickness. The old foul matter sticking to the sides of the bowels often stays in for months, poisoning the body and causing that listless, tired feeling known as "auto intoxication."

HOW TO AVOID TROUBLE
The way to avoid sickness and to keep feeling full of ambition is to watch your bowels. Just as you keep the outside of your body clean you should also KEEP THE INSIDE CLEAN. It is even more important to keep the bowels clean than it is to keep your body washed, because the millions of pores in the thirty feet of bowels quickly absorb poisons generated by decaying food left carelessly in the bowels. Don't allow the old, fermenting, filthy stuff to stay in your bowels for weeks but GET IT OUT and keep it out. Remember, filthy bowels are the cause of most sickness—no stomach, liver or any other organ can do its work with a foul cesspool sending

out gases and poisons. Even if your bowels move slightly, each day, it is not enough. There must be an occasional THOROUGH, complete cleansing to rid your system of all accumulated, decaying matter.

HOW TO CLEAN BOWELS QUICK
THE MOST COMPLETE bowel cleanser known is a mixture of buckthorn bark, glycerine and ten other ingredients, put up in ready prepared form under the trade name of Adler-I-Ka. This mixture is so powerful a bowel cleanser that it ALWAYS does its work properly and thoroughly. It removes foul and poisonous matter which other cathartic or laxative mixtures are unable to dislodge. It does a COMPLETE job and it works QUICKLY and without the least discomfort or trouble. It is so gentle that one forgets he has taken it until the THOROUGH evacuation starts. It is astonishing the great amount of foul, poisonous matter a SINGLE SPOONFUL of Adler-I-Ka draws from the alimentary canal. Matter you would never have thought was in your system. Try it right after a natural bowel movement and notice how much MORE foul matter will be brought out which was poisoning your system in slight disorder such as occasional constipation, sour stomach, "gas on the stomach" or sick headache, one spoonful will rid you almost INSTANTLY. Adler-I-Ka is the MOST THOROUGH bowel cleanser and antiseptic ever offered in ready prepared form. It is a constant surprise to people

who have used only ordinary bowel and stomach medicines and the various oils and waters.

REPORTS FROM PHYSICIANS
Dr. James Weaver, Los Angeles, Cal.: "I have found nothing in my 50 years' practice to excel Adler-I-Ka."

Dr. W. A. Line, West Baden, Ind.: "I use Adler-I-Ka in all bowel cases and have been very successful with it. Some cases require only one dose."

Dr. R. M. Prettyman, Mallard, Minn.: "I use Adler-I-Ka in all bowel cases and have been very successful with it. Some cases require only one dose."

Dr. J. E. Puckett, Gilham, Ark.: "I had had stomach trouble. After taking Adler-I-Ka I feel better than for 20 years. Haven't language to express the awful impurities which were eliminated from my system."
